2.6 Severability. These Covenants, Conditions and Restrictions are severable and the invalidation of one shall not invalidate any other covenant hereof and each covenant shall be independent to such extent.

ARTICLE 3 PROPERTY

3.1 Existing Property. The existing real property which is subject to this Declaration is The Cottages At Indian Summer and is described in **Exhibit "A"**.

3.2 Delegation of Use. Any Owner may delegate his or her right of enjoyment in the Common Property to members of his or her family, tenants or social guests, subject to the provisions of this Declaration and the Articles of Incorporation, Bylaws and Rules of the Association.

3.3 No Waiver of Use. No Owner may be exempt from personal liability for assessments duly levied by the Association, nor release the Lot owned by him or her from the liens and charges thereof by waiver of the use and enjoyment of the Common Property or non-use thereof, or the abandonment of the Lot.

ARTICLE 4 EASEMENTS

4.1 Owners' Easements of Enjoyment to the Subdivision Property. Every Owner and his respective licensees, guests, invitees, agents, servants and employees shall have a non-exclusive easement of enjoyment in and to the Common Areas and any recreational facilities, subject to the following:

(a) The right of the Association to suspend the voting rights and right to use of the recreational facilities and other Common Property as provided by law.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of the members agreeing to such dedication or transfer has been recorded.

4.2 Easements on the Plat. Easements are reserved as depicted on the Plat as may be required for utility service and drainage to serve The Cottages at Indian Summer adequately and the Association, may grant permits, licenses and easements over, under or upon the easement areas depicted on the Plat for utility service or drainage or other purposes reasonable necessary or useful for the proper maintenance or operation of The Cottages at Indian Summer.

4.3 Easements as Appurtenances. All easements described above or on the plat shall be private easements created solely for the benefit of the Association and Owners, their successors and assigns and all said easements and other rights created herein for an Owner shall be appurtenant to the Lot of that Owner and all conveyances of title to the Lot shall include a conveyance of the easements and rights as are herein provided, even though no specific reference to such easements and rights appear in any such instruments.

4.4 Common Drain Field Easements. An easement is hereby reserved for the benefit of The Cottages at Indian Summer Homeowner's Association, Inc., over Lots 1,4,5,8,9 and 24 for the purpose of maintenance of an aerobic waste system. Lots 1-12 and 19-24 will be

ARTICLE 5 ASSESSMENTS

5.1 Creation of Lien and Personal Obligation of Assessments. Each Owner of any Lot (by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or conveyance) including without limitation any purchaser at a judicial sale, shall hereinafter be deemed to covenant and agree to all the terms and provisions of this Declaration and to promptly pay to the Association all initiation fees, impact fees, architectural fees, regular annual assessments, special Assessments, and all fines, fees or other charges levied by the Association, as provided herein (for the purposes of this article collectively referred to as "assessments"). No owner may waive or otherwise avoid liability for the assessments provided herein by any means including but not limited to non-use of the Common area or by abandonment. Upon conveyance of a Lot, the new and former Owners of the Lot shall personally be jointly and severally liable for all unpaid fines resulting in a lien, initiation fees, impact fees, architectural fees, assessments, together with interest, late charges, costs and attorney's fees. Any party taking title to a lot where such lien has been recorded by the Association, takes title subject to such lien and the foreclosure of same if all amounts are not paid to the Association. The execution and recording of such notice shall not, however, be required in order for the continuing lien for assessments and related interest, late charges, costs and attorney's fees to be valid, as such lien relates back to the original recording of this Declaration.

5.2 Purpose of Assessments. Except as otherwise provided herein with regard to the regular annual assessments, special assessments, fines, fees and other charges levied by the Board shall be used for the purposes of promoting the recreation, health, safety and welfare of the Members and residents of the subdivision and in particular for the improvement and maintenance of the Common Area, the Homes and Lots as elsewhere set forth in greater detail herein, and any easement in favor of the Association, including, but not limited to, the cost of taxes, insurance, security services, Common Area maintenance, repair, restoration, repair or construction, drainage or compliance with any governmental requirements which may be imposed on the Subdivision, labor, equipment, materials, management, operations, maintenance and supervision thereof, protecting and preserving property values, as well as for such other

purposes as are permissible activities of, and which may be undertaken by, a corporation not for profit organized and existing under the laws of the State of Florida and a homeowners association under Chapter 720, Florida Statutes, and any expenses that the Board shall reasonably incur on behalf of the Association.

5.3 Annual Assessments. The amount and time of payment of regular annual assessments shall be determined by the Board pursuant to the Articles and Bylaws after giving due consideration to the current maintenance, operational and other costs and the future needs of the Association. Assessments may include amounts established for reasonable reserves.

5.4 Special Assessments. In addition to regular annual assessments, special assessments may be levied by the Board against all Lots for the purpose of defraying, in whole or in part, any capital improvement or any unbudgeted expense.

5.5 Initiation Fee. The amount of the initiation fee to be paid at the time of each resale shall be determined by the Board from time-to-time. If not paid at closing, this fee shall be collected from the new Owner in the same manner as an assessment.

5.6 Impact Fee. An impact fee of \$2,000.00 shall be paid to the Association upon a Lot Owner's application to construct a home on a Lot. If not paid at within fifteen (15) days of the submission of an application to construct a home on a Lot, this fee shall be collected from the Lot Owner in the same manner as an assessment.

5.7 Uniform Assessments. Regular annual assessments and special assessments shall be uniform, with each Lot bearing an equal share, except that regular annual assessments and special assessments may differ based upon the state of development or the level of services provided. Regular annual assessments shall be collected as provided in the Bylaws. Special assessments shall be due on the date(s) established by the Board.

5.8 Budget. The Board of Directors shall prepare an annual budget and make copies thereof available to all members at least thirty (30) days prior to the first day of the upcoming fiscal year. Failure to fix the amount of the regular annual assessment within the time period set forth above will not preclude the Board from fixing the regular annual assessment at a later date. In the event the Board fails for any reason to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year, and the regular annual assessment for the immediately preceding year shall continue for the current year.

5.9 Notice. Upon the adoption of a new budget, amended budget, and/or special assessment, each Owner shall be provided notice of same, by mail, email, or personal delivery.

5.10 Non-payment of Assessment and Remedies of Association. If any assessment is not paid on the date due, then such assessment shall become delinquent and shall, together with such interest, late charge, costs and attorney's fees of collection, be a continuing lien on the Lot against which such assessment is made, binding upon the Owner thereof, his or her heirs,

personal representatives, tenants, successors and assigns. If any such assessment is not paid within ten (10) days of the due date, then a late charge equal to the greater of five percent (5%) or twenty-five dollars (\$25) of the amount due shall be levied and the assessment shall bear interest from the date of delinquency at the maximum annual rate permitted by law. Any partial payment shall be applied first to interest, late charges, costs and attorney's fees and then to the assessments first due. In any action at law or for foreclosure of a lien, the Association shall be entitled to recovery of attorneys' fees and costs. An action to recover a money judgment for the unpaid assessments made be filed without waiving a claim of lien.

ARTICLE 6 DUTIES AND POWERS OF ASSOCIATION

6.1 General Duties and Powers of the Association. For the purpose of carrying out the Architectural Review process, the Board shall establish an Architectural Review Committee (“the ARC”), which shall have jurisdiction to review all construction and installation of improvements on any portion of the Subdivision. The ARC shall be a recommending body only. Final approval of all construction and installation of improvements subject to this Article 8 shall be reserved to the Board. The ARC shall consist of not less than three (3) members. The members of the ARC shall be appointed by the Board. A member of the ARC may at the same time serve as a member of the Board, and if the Board determines it may sit as the ARC. Members of the ARC shall serve terms established by the Board. The establishment of the number of members, method of selecting a chairman and other similar provisions for the composition of the ARC shall be as provided from time to time by the Board.

8.2 Architectural Standards. The ARC may, with the approval of the Board from time to time, adopt and promulgate architectural standards for the Subdivision. The standards may not be contrary to the provisions of this Declaration or the Bylaws and shall be consistent with the architectural, structural, esthetic and environmental concepts provided in this Declaration, but may be greater or more stringent than standards prescribed in applicable building, zoning, planning or other local governmental codes. All standards shall be adopted and applied on uniform basis, and may be reviewed or expanded from time to time to take cognizance of new materials, techniques and proposals. All architectural standards shall be deemed to include the mandatory architectural obligations, prohibitions and guidelines contained in this Declaration.

8.3 Architectural Review Required. Architectural review shall be required in each of the following circumstances:

- (a) Whenever the Owner of a Lot proposes to construct any improvements thereto.
- (b) Whenever any exterior alteration or other exterior improvement to an existing Lot or Lots is proposed by an Owner.
- (c) Whenever any Owner or the Association proposes to maintain or repair a Lot or Lots in any manner that will result in the application or use of materials of a different type, shade, color or quality than those originally used on the Lot and the Lots thereon.

(d) Whenever the improvements to a Lot have been substantially damaged or destroyed, in whole or in part, by casualty or otherwise, and reconstruction or rebuilding is intended.

(e) Whenever an Owner proposes any change or addition to the landscaping of a Lot. For this Article 8, the term “landscaping” shall mean the removal of any tree, grading, change in elevation or clearing.

(f) For the purposes of this Section, any structure, including but not limited to buildings, fences, roofs, patio covers, driveways, sidewalks, walls, pools, screen cages, enclosures, mail boxes, solar energy devices, antennas, water and sewer lines, irrigation systems, signs, statues, or decorative objects or landscaping devices shall be deemed to be alterations or improvements subject to architectural review.

(g) For the purposes of this Section, the term construction shall include within its definition staking, clearing, excavation, grading, other site work or exterior alterations or modifications of existing improvements.

8.4 Procedure. There shall be submitted to the ARC a written application setting forth plans (site, grading, landscape, floor, etc.), colors, materials and other specifications for any activity for which review is required. A written application shall be adopted by the Board, which details all information required from the Owner, including the identity of the individual or company intended to perform the work and the projected commencement and completion date. Except for an Owner serving as his or own contractor, any contractor or service provider performing construction work on a Lot in a subdivision shall be properly licensed in the State of Florida and/or local governments, and must provide proof of insurance coverage.

(a) The ARC may request additional and supplementary information. The ARC shall, within thirty (30) days after receipt of a complete application, shall submit to the Board either a recommendation on the application to: 1) approve or disapprove, 2) approve in part and disapprove in part, or 3) approve with conditions. The Committee shall specify its reasons for disapproval or conditions and shall annotate its decision by reference to architectural standards, where applicable. If a recommendation is not received by the Board within thirty (30) days, the applicant may submit the application directly to the Board for review. As to an application received by the Board as provided herein, the Board shall: 1) approve or disapprove, 2) approve in part and disapprove in part, or 3) approve with conditions, the application. No work shall proceed except in compliance with this Declaration and architectural approval as provided in this Article 8.

be substantially completed, including all cleanup, within six (6) months of the date of commencement (twelve (12) months for the construction of a complete house).

(c) In the exercise of its sole discretion or upon the recommendation of the ARC, the Board may require the Owner to provide assurances that the improvements will be completed in accordance with the approved plans. Such assurances may include the posting of a performance bond and/or a completion bond in favor of the Association, independent professional inspection reports or sworn progress reports.

(d) If there shall be a material deviation from the approved plans in the completed improvements, such improvements shall be in violation of this Article 8 to the same extent as if erected without prior approval of the Board. The Association or any Owner may maintain an action at law or in equity for the removal or correction of the non-conforming structure and, if successful, shall recover from the Owner in violation reasonable attorney's fees and costs and any other expenses or fees incurred in the prosecution thereof.

(e) The Board of Directors of the Association has the right, but not the obligation, to grant waivers for minor deviations and infractions of this Declaration upon its own action or at the request of the ARC. The granting of any waiver for any portion of the Property may be given or withheld in the Board's sole discretion and a prior grant of a similar waiver shall not impose upon the Board the duty to grant new or additional requests for such waivers.

(f) The Association and ARC, and any officer, employee, director or member thereof, shall not be liable for damages to any persons submitting plans and specifications for approval by reason of mistake in judgment, negligence or non-feasance arising out of or in connection with the approval, disapproval or failure to approve any plans and specifications. Every person who submits plans and specifications for approval agrees, by submission of such plans and specifications, that it will not bring any action or suit against the Association or ARC, or any officer, employee, director or member thereof, to recover any such damages.
